Before joining VTS, Liz worked at a Sanctuary retirement living complex, where she was responsible for the well-being of over 60 residents. Liz also has experience working in a care home, primarily supporting residents living with dementia, where she developed an understanding of their unique needs.

Personal Hobbies:

Liz enjoys spending her evenings playing badminton, swimming, and crocheting, as well as getting lost in the *Harry Potter* series.

Liz has a habit of singing around the office - though her tunes aren't always perfectly in key! She's also a big fan of the cinema, especially when there's a Marvel film to watch, or a new rom com to enjoy.
